

Assembly Instructions

ULMEC Ultra Lite Multi-Cabinet Ellipse, Connecting

ULMKC Ultra Lite Multi-Cabinet Kidney, Connecting

Note: These cabinets are assembled the same way though they are different shapes.

NOTE: THIS IS NOT A FREESTANDING CABINET

1. Lay Bottom on floor.
2. Center the Long Shell on long side of the Bottom
3. Center the Short Shell on the short side of the Bottom.
4. Supporting the Top With Cleat in one hand follow the same steps as above for the Top.
6. Press the Connecting Cabinet up to the stand alone cabinet.

Note: The Ellipse Connecting Cabinet only aligns in one position.
