

WARRANTY

Lifetime No-Fault Limited Warranty

Frame

Abex Display Systems, Inc., a California corporation, warrants the frame for the lifetime of the product and extends this warranty to the original retail purchaser. Repairs will be made at the location of your nearest authorized dealer unless otherwise approved by Abex Display Systems.

Panels And Other Components

Abex Display Systems, Inc. extends a limited warranty to the panels, shelves, light fixtures, channel bars, cases, tables and other accessories. Panels (which represent the flexible surface covering the frame and channel bars) are under warranty for a period of 90 days from shipment. Other components listed are under warranty for a period of one year from shipment. Both limited warranties apply to manufacturer's defects in materials and workmanship only. Defects to either panels or other components will be determined solely by Abex Display Systems, Inc., and not by any representative, distributor or dealer of, or for, Abex Display Systems, Inc. Upon determination of a defect, Abex Display Systems, Inc. sole obligation will be to repair or replace the defective part.

The conditions of this warranty are: (1) The Exposure panels or other components shall have been subject to only normal use and service, and shall not have been misused, neglected, altered or otherwise damaged; and (2) There shall be no evidence of tampering or deliberate misuse or destruction.

No representative, distributor or dealer of, or for, Abex Display Systems, Inc. is authorized to assume for Abex Display Systems, Inc. any other obligations or liabilities in connection with the panels or other components, or alter the terms of this warranty in any way.

Abex Display Systems, Inc. must authorize the return of any alleged or defective part before it is returned. All

shipping and transportation costs must be prepaid by the buyer. Abex Display Systems, Inc. will not accept charges for parts purchased unless the conditions of the warranty have been satisfied and charges have been agreed to by Abex Display Systems, Inc.

This warranty is in lieu of all other warranties, expressed or implied. All implied warranties, including, but not limited to implied warranties of fitness and use for a particular purpose, are excluded except as herein provided.

Abex Display Systems, Inc. shall not be liable for damages, including special, incidental or consequential damages arising out of, or in connection with the performance of this Exposure display or its use by the owner.

The liability of Abex Display Systems, Inc. is limited exclusively to repair and/or replacement of the defective part.

WARRANTY

Lifetime No-Fault Limited Warranty (Ultralite)

ABEX 200 ULTRALITE 5 YEAR LIMITED WARRANTY

5 Year Limited Warranty

Frame 5 Year Limited Warranty

Abex Display Systems, Inc., a California corporation, warrants the ABEX 200 ULTRALITE frame for five years and extends this warranty to the original retail purchaser. Repairs will be made at the location of purchase unless otherwise approved by Abex Display Systems.

Panels And Other Components-Limited Warranty

Abex Display Systems extends a limited warranty to the panels, light fixtures and cases. Panels (which represent the flexible surface covering the frame and channel bars) are under warranty for a period of 90 days from shipment. Other components listed are under warranty for a period of one year from shipment.

Both limited warranties apply to manufacturer's defects in materials and workmanship only. Defects to either panels or other components will be determined solely by Abex Display Systems, Inc., and not by any representative, distributor or dealer of, or for, Abex Display Systems, Inc. Upon determination of a defect, Abex Display Systems, Inc. sole obligation will be to repair or replace the defective part.

The conditions of this warranty are: (1) The ABEX 200 ULTRALITE, panel, frame or other components shall have been subject to only normal use and service, and shall not have been misused, neglected, altered or otherwise damaged; and (2) There shall be no evidence of tampering or deliberate misuse or destruction. This warranty specifically excludes damage caused by accident, fire, water, heat, light, neglect or international damage.

No representative, distributor or dealer of, or for, Abex Display Systems, Inc. is authorized to assume for Abex Display Systems, Inc. any other obligations or liabilities in connection with the panels or other components, or alter the terms of this warranty in any way.

Abex Display Systems, Inc. must authorize the return of any alleged or defective part before it is returned. All shipping and transportation costs must be prepaid by the buyer. Abex Display Systems, Inc. will not accept charges for parts purchased unless the conditions of the warranty have been satisfied and charges have been agreed to by Abex Display Systems, Inc.

This warranty is in lieu of all other warranties, expressed or implied. All implied warranties, including, but not limited to implied warranties of fitness and use for a particular purpose, are excluded except as herein provided.

Abex Display Systems, Inc. shall not be liable for damages, including special, incidental or consequential damages arising out of, or in connection with the performance of this Exposure display or its use by the owner.

The liability of Abex Display Systems, Inc. is limited exclusively to repair and/or replacement of the defective part.

Other Rights: The above warranties give the purchaser specific legal rights, and the purchaser may have other rights which vary from state to state. Some states do not allow exclusion or limitation of duration of implied warranties or the exclusion of liability for incidental or consequential damages, so some of the above exclusions and limitations may not apply to the purchaser.

Governing Law: This warranty is governed by the laws of California, and any litigation conducted with respect to the warranty shall be conducted in Los Angeles county, California.

Replacing 13mm Scissors

Each 13mm scissor is connected to the hub by an axle. To release the tube from the hub, insert the screw starter tool into the axle and pull out. Refer to figure 1.

Figure 1

Vertical Scissors

To replace the vertical scissors, remove the four pins connecting the scissor to the hub. Replace with new scissor following figure 2.

Figure 2

Displaced (Horizontal) Scissors

When replacing horizontal scissors, refer to figure 3. It is important that the scissor be placed exactly as in the diagram. On the curved frame, the longer arms of the scissor attach to the rear hubs.

Figure 3

Replacing 8mm Scissors

The 8mm Scissors just snap into the hubs. Simply snap in or out as needed. Please note that on the curved frame, the longer arms of the scissor attach to rear hubs. Do not attempt to force the scissor into the hubs. If the scissor does not seem to fit, rotate the scissor 1/4 turn and re-install. Refer to figure 4.

Curved Frame (part #3511)
Straight Frame (part #3521)

Figure 4

Figure 5

Replacing Spacer Bars

Locking Spacer Bars are connected to the frame with a hexagonal bushing. To replace spacer bar, begin with the bar in the unlocked position. Twist bar 1/4 turn and pull to remove. The bushing may now be removed if necessary by pushing it out from the inside of the display. To connect the new bar, push it into the hub being sure that the bar is aligned as shown in figure 5. When you hear a click, the bushing is fully connected to the bar.
