

THE ONLY THING BETTER THAN THESE OFFERS
ARE ABEX TURN.KEY EXHIBIT SYSTEMS!

Abex total turn.key solutions ensure everything fits perfectly. Our proprietary engineering macros and extensive OCTANORM™ and panel libraries allow us to CAD the optimal design solution quickly and accurately. Our proprietary packing and set-up instruction macros, personalized project management, and pre-ship set-up with available webcam preview ensure the timely completion of your exhibit. Enjoy the simplicity of working with a single vendor and timeline-that's the beauty of Abex.

Let Abex take care of everything:

- Design and CAD
- Component sourcing and consolidation
- Computer generated packing and set-up instructions
- Fully integrated parts identification system
- Pre-ship set-up and preview (in-house or remote via webcam)
- Single point-of-contact project management
- Graphics production
- Flooring
- Shipping and I & D

For more information, please contact **Garry Koralek**, VP of Marketing or **Kimberly Pfeifer**, VP Sales at **818 764-5126**

Free graphics and transportation offer valid on all qualifying purchases of new Studio Abex, Abex 900, Abex 600 and Abex 500 portable modular systems. Orders must be placed before July 31, 2007. Distributor must take delivery before September 15, 2007. Minimum exhibit order amount is \$5,000. Distributor not to qualify for Free Graphics and free transportation offer. Distributor will receive voucher for free one way ground shipping with Rogers Worldwide, a division of Rock-it Cargo. Distributor must order and pre-pay shipping with Rock-it Cargo for first leg and present coupon as payment for return. Voucher for Return shipping leg may not exceed shipping cost for first leg.
