WELCOME TO THE 2010 MOD AWARDS!

The fourth Annual MOD Awards honors the best portable modular designs of the past year for trade shows, events, indoor, outdoor, retail and museums and beyond.

The MOD Awards will spotlight leading designers of portable modular structures, presenting trophies to winners in nine categories including the prestigious Best of MOD.

Two finalists have been selected by the Editors of Event Design Magazine and will be presented at MOD'10. The winner in each category will be selected by our audience with instant audience response tabulation provided by Quick Tally along with a distinguished panel of Judges including Russ Fowler, Derek Gentile and Mitchell Mauk.

The winning entries will be profiled in the April/May issue of Event Design Magazine. May the best design win!

Tradeshows Photo Kiosk

Draws attendees
Creates a fun experience
Allows staff to interface with attendees
Both onsite and online photo retrieval options
Online viral marketing options
Branded and personalized takeaway
Everyone keeps a photo of themselves
Easily moved for opening, closing or hospitality events
Can be stand alone or built into booth
Foot print as low as 4 square feet (Green Screen Available)
Custom Wrap

With the kiosk you will not need to:

- Require high tech operator
- Require complicated set up
- DRAYAGE Fees (can be wheeled in by one person)
- Guess on giveaways and then inventory them for the next show
