Abex offers a wide range of accessories and casing options to make sure your exhibit is as functional as it is eye-catching.

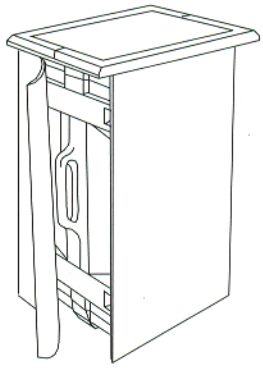

### HALOGEN LAMP

Spotlight your company name and graphics with our attractive Halogen Lamp. It mounts on a frame before expansion for easy installation.

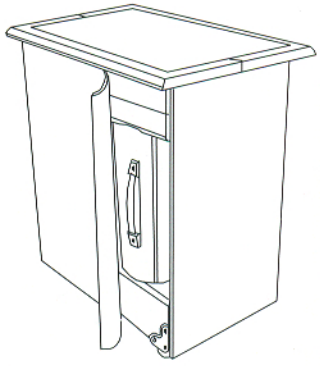

### 4100 CASE-TO-PEDESTAL CONVERSION KIT

For the ultimate in compact portability, choose the 4100 case with optional case to pedestal conversion. A 10ft exhibit packs in two 4100 cases.

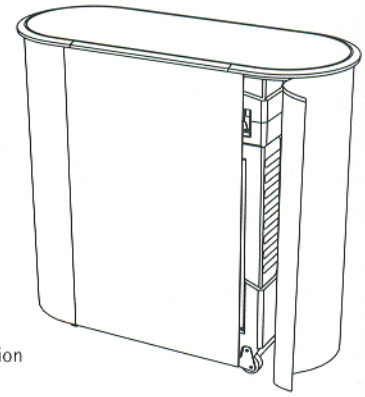

### 4200 CASE-TO-TABLE CONVERSION KIT

With the optional case conversion kit, the 4200 A + B cases lock together to create a spacious and functional counter during the show.

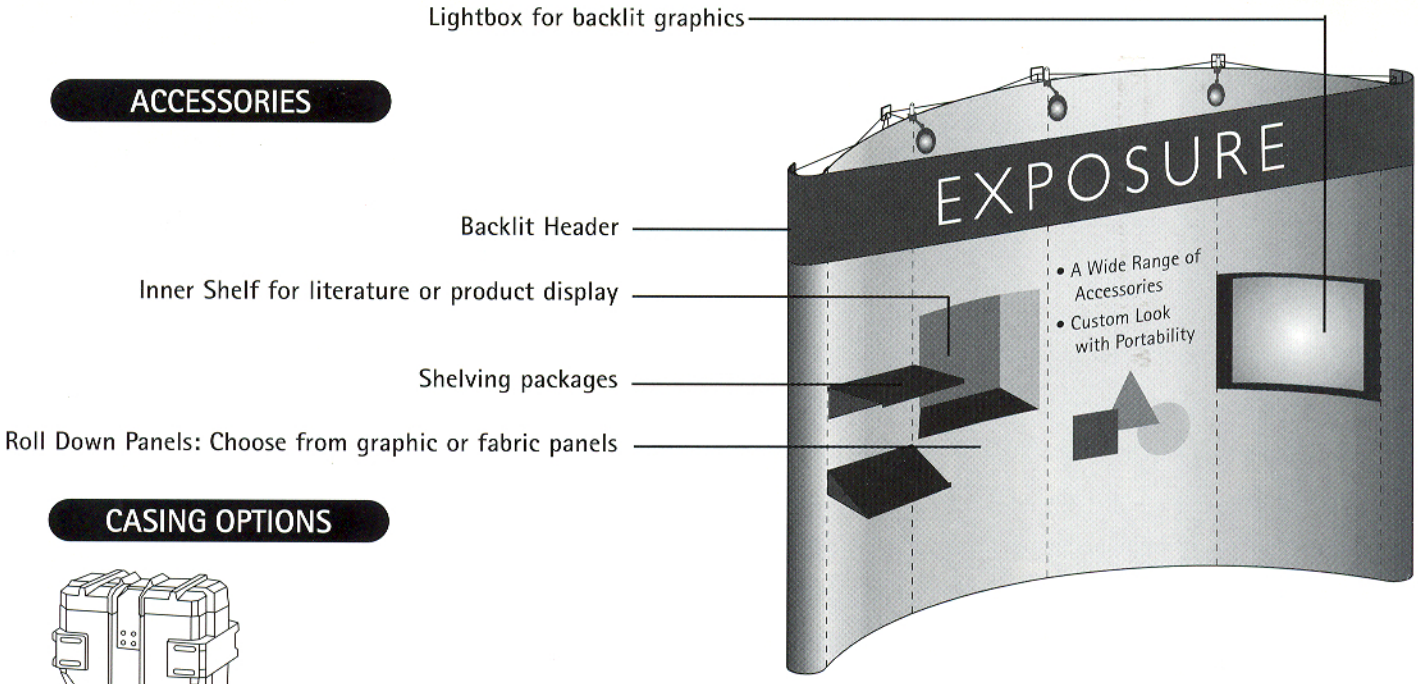

### 4300 CASE-TO-TABLE CONVERSION KIT

Choose the 4300 case when you want "all in one" convenience. One 4300 case packs a complete 10ft exhibit. During the show, the case converts to offer over 8 cubic feet of easily accessed storage space, while the optional conversion kit creates an attractive display counter.

## EXPOSURE

Exposure pop-up displays from Abex Display Systems are the state of the art in portable, modular trade show exhibits. Built on twenty years of trade show experience and an international manufacturing, sales and support network, Abex sets the standard for the display industry with leading-edge designs you can count on to get you noticed.

The patented Exposure frame is made of drawn aluminum for maximum strength, yet minimum weight, and carries a lifetime, no-fault warranty. Tool-free assembly is quick and easy, making Exposure ideal for one person setup. Compact Exposure exhibits can travel in your car, or ship via UPS or as airline luggage. With three different portable shipping cases to choose from, Exposure offers the ultimate in versatility and convenience. Choose from curved and straight frame designs, or combine the two to create a dynamic, custom look that's portable and affordable.
