Thinking about fabric graphics for your next OCTANORM® exhibit?

We've got you covered!

__ The new trend in fabric graphics is not new to us. At OCTANORM® we have developed more ways to incorporate fabric graphics into our structures than any other system in the world.

__ Our latest extrusions allow you to completely wrap your OCTANORM® exhibit in fabric graphics for a custom appearance that is incredibly light-weight.

For all that is new in fabric graphic exhibits, contact OCTANORM® USA, Inc. today or visit us at www.octanormusa.com
