EXHIBITS FOR THE REAL WORLD

From our 100,000 square foot manufacturing facility in Los Angeles, Abex exhibits are shipped to customers in over 60 countries. Each of our exhibits are backed by a worldwide network of over 300 distributors. For over 27 years, tens of thousands of customers have entrusted their trade show displays to Abex Exhibit Solutions. Whatever type of exhibit you envision, we offer a modular solution to fit your size and budget. No one offers higher quality. We manufacture our own cases, hubs and lights – parts most exhibit companies buy from third parties. Each one is backed by a limited lifetime warranty. Our experience and commitment to portable modular means that every one of our exhibit systems are designed to save you money on shipping, drayage and set up and tear down – putting more of your money on the show floor.

ALUMALITE

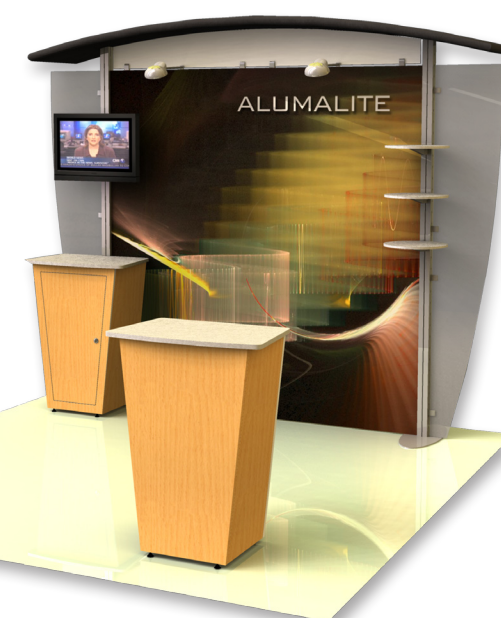

page 14

New for 2008: Alumatite Hybrid Display System

Upgrade to Alumatite: Raise your brand image while lowering your shipping and installation costs. Alumatite's lightweight aluminum frame and rotomolded case cost less to ship, and it assembles in a snap to reduce set-up time. Alumatite comes in your choice of three canopy shapes in three colors. Add on to your Alumatite with storage cabinets, reception counters, product shelves, monitor mounts and more.

Alumatite Features and Options include:

- Available in both 10 x10 and 10 x 20 inline configurations
- Large scale center graphic panels, available in printed tension fabric or roll-on mural
- Arc, Wave or Straight canopies, with tension fabric in your choice of silver, black or white
- Optional accessories include counters with locking storage, product shelving, monitor mounts, lights, backlit headers and literature racks

TOPPERS

Say Hello to Toppers.

Step Up From an Ordinary Tabletop to Toppers – Big Display Impact in a Small Space

- A complete package that includes display frame, graphics, lights and case for one low price
- Available in six modern shapes to project your message in a big way
- Modular design allows you to change graphics and shapes in seconds
- Made in the USA, with a lifetime frame warranty

BANNERSTANDS

page 22

The Supreme Retractable Bannerstand

Our most popular bannerstand, Supreme has all the features you need to make your exhibit a success.

- Comes complete with sleek metal base, slot-in graphic, 3-parted pole and carrying case
- Change your graphic quickly and easily
- Includes a StayFlat 10dpi graphic for bold messages on the show floor
- Accessories include telescopic pole and a banner light

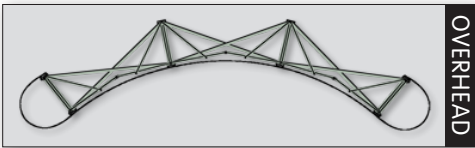

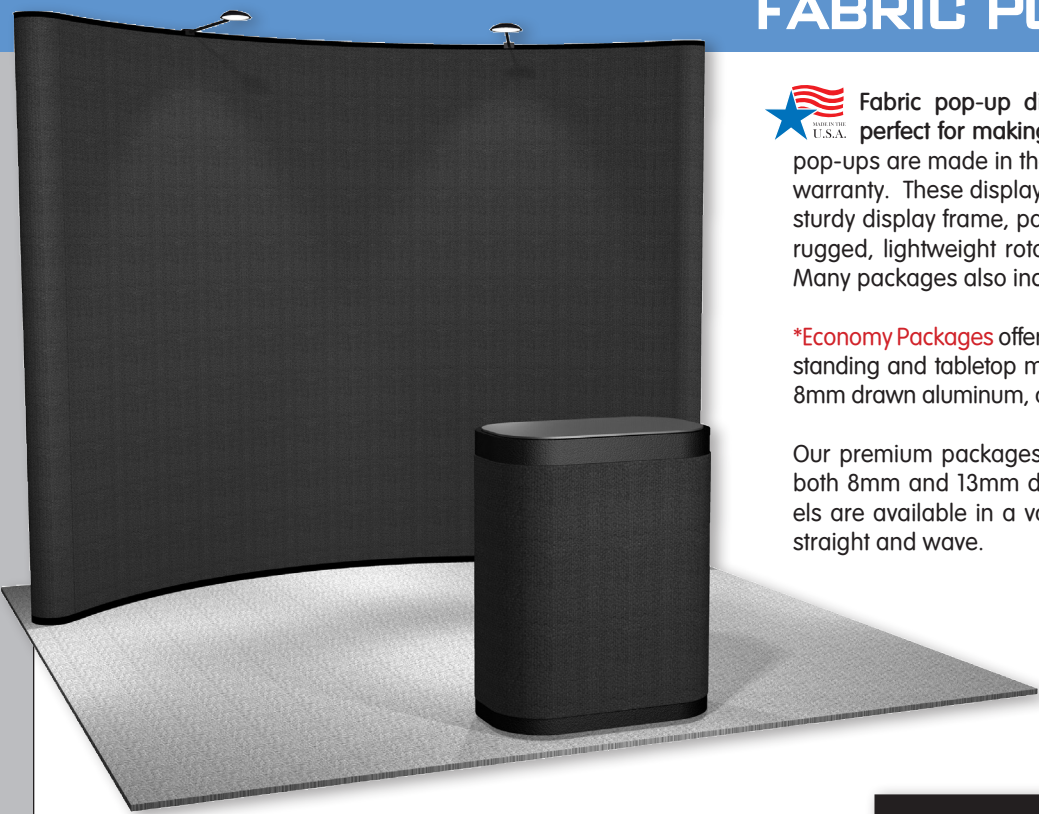

FABRIC POP-UP DISPLAYS

 Fabric pop-up displays set-up quickly and easily, and are perfect for making a good impression on a budget. All of our pop-ups are made in the USA and come with a limited lifetime frame warranty. These display packages come with everything you need: a sturdy display frame, panels in your choice of 54 fabric colors, and a rugged, lightweight rotomolded case with a podium conversion kit. Many packages also include UL approved light kits.

***Economy Packages** offer curved profiles, and are available in both floor-standing and tabletop models. Economy frames are constructed from 8mm drawn aluminum, and come with a limited lifetime warranty.

Our premium packages offer a sturdier frame that is constructed of both 8mm and 13mm drawn aluminum. These floor standing models are available in a variety of shapes and sizes, including curved, straight and wave.

GRAPHIC POP-UP DISPLAYS

 **U.S.A.** Customize your pop-up display with high-quality graphics. We print all of our graphic panels in house on state-of-the-art HP printers, and then assemble every unit for quality control before it ships. You can be assured that everything fits perfectly, because we know that the last thing you need to worry about on the show floor is your exhibit.

FABRIC MURAL DISPLAYS

 Graphic mural pop-up displays offer the simplicity of a traditional pop-up with the added benefit of a seamless, dye-sublimated tension fabric graphic. Simply expand the frame into position with the graphic already attached. Graphic mural pop ups are available in four sizes, and come complete with a sturdy aluminum frame, full sized dye-sublimated stretch fabric graphic and a wheeled rotomolded case.

Big Display Impact in a Very Small Space...

Toppers broadcast your message in a big way. These ultra-modern tabletop systems are built of aircraft grade aluminum, and feature a large footprint for stability. Each Toppers display comes complete with the frame, graphics, headers and wings, lights and a wheeled rotomolded case. Toppers set-up and break down in minutes, and everything packs neatly inside the foam-fitted rotomolded wheeled case. Toppers are made in the USA, and are backed by a limited lifetime frame warranty.

Packing System

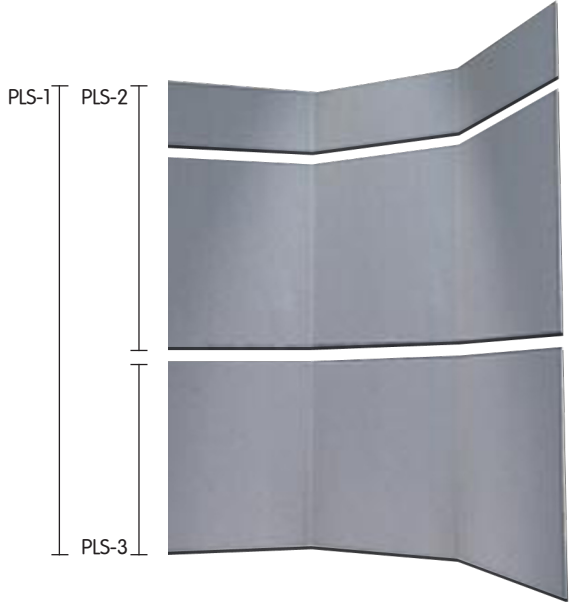

Every Toppers display comes complete with a rotomolded, wheeled case for easy transportation. Each part of your Toppers has a unique location within the custom foam fitted case, to make finding each part a snap. The lightweight, heavy-duty case will protect your Topper while reducing shipping and handling weight. Toppers cases can be shipped FedEx or UPS, or checked in as airline luggage.

STACKERS

 Stackers are designed to take anything a grueling tradeshow schedule can dish out. Constructed of hardwood frames and covered in your choice of over 50 fabric colors, Stackers provide maximum durability and bold surfaces for your marketing messaging on the show floor.

LAMINATE PANEL SYSTEMS

Encompassing an unparalleled selection of components, features and accessories, our laminate panel systems meld precision engineering with the highest quality materials. Select from our standard laminates including faux marble and exotic wood for a look as unique as you are.

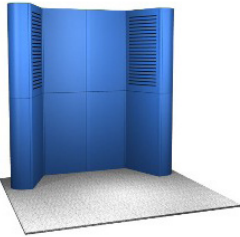

Laminate systems are available in both 10x10 and 10x20 configurations, and of-

fer a variety of options in product display counters, alcoves, storage and headers. Options include lightbox graphics and slatwall for product merchandising.

All of our panel systems come complete with rugged, lightweight shipping cases that stand up to any grueling exhibit schedule while reducing shipping weight.

ALUPALITE

AL1

AL3

AL2

Alupalite is the portable modular display system that raises your brand image while lowering your shipping and install/dismantle costs. An entire Alupalite system can be assembled quickly and easily, and weighs less than 200 lbs. with cases. An incredible 81" wide by 84" high central graphics area blocks the view of whatever is behind you. Graphics are available in your choice of either dye sublimation printed tension fabric or

roll on graphic mural. Choose from three available canopy shapes: Wave, Arch or Straight, in three colors: Snow, Coal or Silver. Wings are available in frosted plex, standard laminates or custom laminates. The optional counter is available as an attached or free-standing unit, and features room for a computer workstation, removable shelving and lockable storage.

HANGING SIGNS

Tension Fabric Structures communicate your brand message in a big way. Available in your choice of five shapes, choose from the Halo, Tapered Halo, Square, Tapered Square or Triangle. These structures come complete with a lightweight aluminum frame and your graphics printed on dye-sublimated fabric with opaque liner. They ship in our rugged, lightweight rotomolded shipping containers that stand up to any grueling exhibit schedule while reducing shipping weight.

Sign packages include aluminum frame, dye-sub celtic fabric and 2 (5PCC) wheeled-cases.
