Why Choose Pop-Up Express?

- Pop-Up Express displays set-up more quickly than other pop-ups.

- High resolution dye-sub fabric prints are attached to the frame with Velcro and pack without requiring disassembly.

- Velcro attached dye-sub fabric is machine washable for easy maintenance and can be easily swapped out with different messages from show to show.

- The 5' table top version fits on almost any table and provides ample room for branding.

- Pop-Up Express kits include a rotomolded 4100 wheeled shipping case which can be transformed to a podium at the show with optional fabric or graphic case to podium conversion kits.

- Made in the USA.

- Lifetime Hardware warranty.
