

THE NEW WAVE OF PORTABLE COUNTERS IS HERE!

Promo Demo Counter

These user-friendly demo counters set up instantly without tools and pack easily in the included nylon carry bag.

Featuring a durable, reinforced plastic top available in black or white, poles and banner are optional in the Promo Demo Counter model. Graphics are available on just the front, or 3-sided wrap-around. Header graphics are also available.

See Below for Exact Specifications.

Impact Demo Counter

Just slightly shorter yet several inches wider than the Promo Demo Counter, the Impact Demo Counter version comes standard with poles and header. Graphics are available on just the front, or 3-sided wrap-around. Header graphics are also available.

See Below for Exact Specifications.
