ALUMALITE LINEARE 20ft

AL8

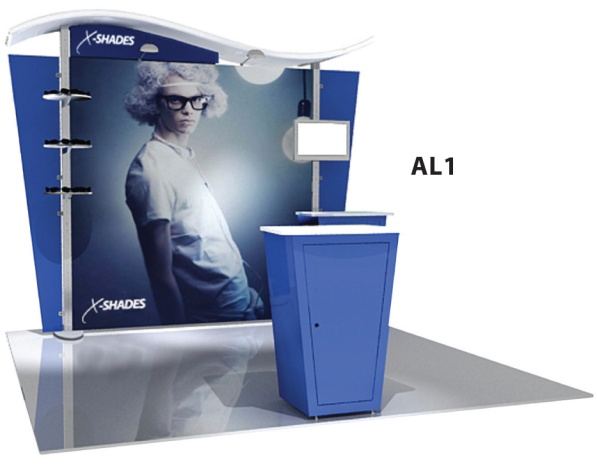

List (MSRP) Price: ~~$14,950.00~~
Friends & Family Price: $10,456.00

Package as depicted

Alumalite Lineare offers large scale graphic panels and return walls to create a bold unforgettable statement. Lineare's design signature is the adjustable, illuminated header for optimal branding at a distance. Lightweight frame is sturdy enough to support up to 40" monitors. Backwall, returns and hinges, adjustable header hardware, backlit header graphic, frosted plex side returns, 3 laminated DuraPrint panels, slatwall left & right side panels, 2 free standing counters, 2 fixed counters, 2 rotomolded wheeled packing cases.

Lightweight, durable, and stackable molded shipping cases ensure protection during transit and space efficient storage.

ALUMALITE CLASSIC 10ft

AL1

Alumalite Classic is the portable display that elevates your brand image while lowering your shipping and install and dismantle costs. An entire Alumalite 10ft display can be assembled in less than two hours by two people and weighs in under 200 pounds with cases! Choose from three available canopy shapes (Wave, Arch or Straight) in dozens of colors at no additional charge.

Includes:
Backwall hardware, Wave Canopy Frame (2" Aluminum Tubing), Trapeze Canopy Cover, Frosted Plex, Header & Wings, 2 Rotomolded Cases

Fixed & free standing counters, lights & monitor mount kit optional.

SOLAR A 10x10

The new Solar Exhibit System by Abex eclipses other comparable systems. It is available in a variety of exhibit sizes and configurations from 10' in-lines to 20' x 30' islands and beyond. Expansion and installation is simplified through thoughtful design and engineering which reduces the number of components required for a complete system or reconfiguration. Flowing lines sculpted in lightweight aluminum, the core of Solar is the Octanorm system.

Includes: Backwall with fabric, platform with puck lights, front wall with plex panels, ceiling with track lights, sintra board behind monitor, uplit backwall counter, arm lights, Solar flight case & Solar airtub
