

ALUMALITE TOPPERS

NEW. PRICE CUT! THE WORLD'S MOST ADVANCED TABLETOP DISPLAY

Big display impact in a very small space...

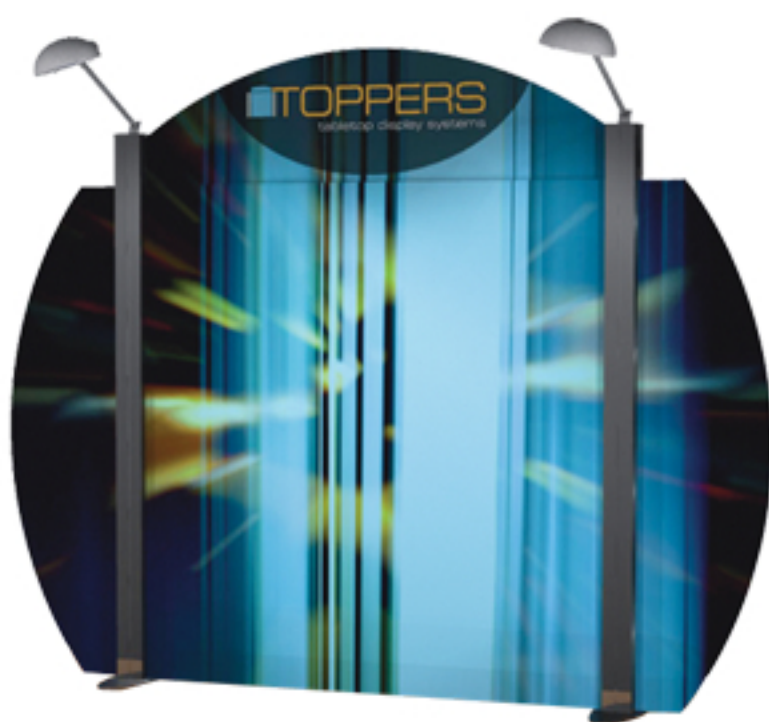

Toppers broadcast your message in a big way. These ultramodern tabletop systems are built of aircraft grade aluminum, and feature a large footprint for stability. Each Toppers display comes complete with frame, graphics, headers and wings, lights and a wheeled rotomolded case. Toppers set-up and break down in minutes, and everything packs neatly inside the foam-fitted rotomolded wheeled case. Toppers are made in the USA, and are backed by a limited lifetime frame warranty.

PACKING SYSTEM

Every Toppers display comes complete with a rotomolded wheeled case for easy transportation. Each part of your Toppers has a unique location within the custom foam fitted case, to make finding each part a snap. The lightweight, heavy-duty case will protect your Topper while reducing shipping and handling weight. Toppers cases can be shipped FedEx or UPS, or checked in as airline luggage.
