

ALUMALITE TOPPERS

NEW PRICE CUT! THE WORLD'S MOST ADVANCED TABLETOP DISPLAY

Big display impact in a very small space...

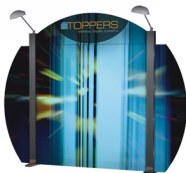

Alumalite Toppers broadcast your message in a big way. These ultramodern tabletop systems are built of aircraft grade aluminum, and feature a large footprint for stability. Each Alumalite Topper display comes complete with frame, graphics, headers and wings, lights and a wheeled rotomolded case. Alumalite Toppers set-up and break down in minutes, and everything packs neatly inside the foam-fitted rotomolded wheeled case. Alumalite Toppers are made in the USA, and are backed by a limited lifetime frame warranty.

ALUMALITE TOPPERS

All Alumalite Toppers packages include Octanorm Frame, Center Graphic, Header and Wing Graphics, (2) 200 Watt Halogen Lights, 5PCC-02 case and QuickStart Instructions

OPTIONAL LAMINATE COLORS

Alumalite Toppers come standard with a silver aluminum frame. The frame is also available, for an additional charge, in black or white satin powder coat or laminate.

Silver

Satin White

Satin Black

Mahogany

Amber Maple

PACKING SYSTEM

Every Alumalite Topper display comes complete with a rotomolded wheeled case for easy transportation. Each part of your Alumalite Topper has a unique location within the custom foam fitted case, to make finding each part a snap. The lightweight, heavy-duty case **will** protect your Alumalite Topper while reducing shipping and handling weight. Alumalite Toppers cases can be shipped FedEx or UPS, or checked in as airline luggage.

FrontRunner is no longer available. Our new EcoFi fabrics are a high quality, polyester fiber made from 100% post-consumer recycled plastic bottles. At least 60 million plastic bottles go to landfills each day in the U.S. alone. Abex is helping to reduce that number and help protect the environment by using fabric from EcoFi.

Please contact Customer Service if you require other colors.

Abex is doing what it can to protect the environment by reducing our carbon footprint, by utilizing recycled or recycled materials in our exhibit systems, and by supporting sustainable Travel, Inc.

Sustainable Travel International (STI) is a global leader in providing programs that help travelers, businesses and destinations protect the environment. Sustainable Travel International helps companies balance their environmental impact by providing comprehensive carbon management and reduction services. Abex is committed to protect the environment by supporting Sustainable Travel's high quality, vetted renewable energy, energy efficiency and forestry-related projects around the world.
