FASTSIGNS®
portable display products

Lifetime Frame Warranty

FastSigns offers a Lifetime Warranty on pop up frames in normal use. We back all of our products with a one year limited warranty against manufacturer's defects in normal use.

Returns

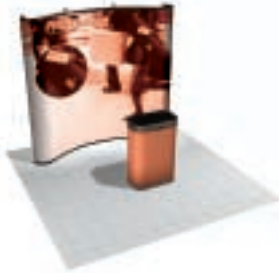

- 1. All products may be returned in unused condition for a money back refund by notifying us within 5 days of purchase and returning the products to us within 10 days with the following exceptions:
 - graphic and special order fabric panels are not returnable unless the return is due to our error or a manufacturing defect.
 - After 10 days, we may accept returns in unused condition at our discretion for store credit and subject to a 15% restocking fee.
 - Shipping costs are not refundable. If you are returning a product under warranty because of a manufacturing defect, we will pay return shipping.

Important Note: Color reproduction cannot be guaranteed; nuances may not be visible on screen. If color accuracy is critical, please don't choose a color based upon what you seen on screen.. Screens do vary. Please ask for swatch samples of our fabric panels before ordering. We do our best to produce your graphics and 99% of our customers are 100% satisfied with our results. However, if the color accuracy of your artwork on graphic panels is critical, please order a color proof.

Businesses worldwide depend on **FASTSIGNS®** for turnkey exhibit systems complete with colorful custom graphics and convenient cases for easy transport. Choose from different modular systems or combine elements to create a unique display.

Pop-Up Displays

Pop-Up displays are an easy way to create exciting, high-impact displays that draw attention and build credibility for your company and products. **FASTSIGNS®** portable, pop-up display systems feature case-to-counter conversion kits and wheeled, rotomolded transport cases that can be shipped via UPS or checked as baggage.

Banner Stand Displays

Banner Stands are the quickest and easiest way for your company to display at trade shows, conferences or meetings. Perfect for lobby messages, point-of-sale promotions and new product introductions, our Banner Stand systems offer modular design and changeable banner for design flexibility and ease of transport, all at an affordable price.

Table Top Displays

When maximum portability is important, our variety of table top display models are the solution. From briefcase-sized, self contained displays to medium sized Pop-Up displays, these displays are quick to setup, easy to transport and affordably priced.
