THINK OF IT AS AN **AIRBAG** FOR YOUR EXHIBIT.

The
**ABEX
AIRTUB**

...is the heart of every Studio Abex turn.key modular system.

AIRTUB provides 360° protection during transit and storage to improve the life of your exhibit while saving you money in shipping. Each tub is customizable to save you space while providing optimal protection for your exhibit. If you are looking for a turn.key portable modular solution, take Studio Abex for a test drive today.
